
OFFICIAL STATEMENT No. 1

Of the international voluntary carbon certification program - GLOBAL EMISSION STANDARD (GES)

Extension of the authorized period for the operation of Bodies accredited by the CDM Executive Board as a Designated Operational Entity (DOE) as GES Validation and Verification Bodies (VVBs).

Addressed to: Bodies accredited by the CDM Executive Board as a Designated Operational Entity (DOEs).

Subject: Extension of the authorized period for the operation as GES Validation and Verification Bodies (VVBs).

Context

According to the Protocol for the Voluntary Certification of Carbon Emission of the Global Emissions Standard (GES), Bodies accredited by the CDM Executive Board as Designated Operational Entities (DOEs) are authorized to operate as Validation and Verification Bodies (VVBs) under the GES standard until December 31, 2020.

Extension of the authorized period

By means of this Official Statement, the aforementioned date is modified, and the Bodies accredited by the CDM Executive Board as Designated Operational Entities are authorized to operate as Validation and Verification Bodies (VVBs) under the GES standard until December 31, 2021.

This statement is issued by GES and becomes effective as of December 29, 2020.

Kind regards,

Carlos Trujillo Echeverri
